## About our allergens

At Halal Friends we have established systems to identify the 14 mandatory allergens present in our food. Our staff receives training on allergens and on preparing meals for people with allergies. However, due to the nature of our ingredients and our preparation and cooking methods, THERE IS ALWAYS A RISK OF CROSS-CONTAMINATION. We advise customers with allergies, intolerances or food sensitivities that we cannot guarantee the total absence of allergens in our products. If you have any allergy or intolerance, always inform our staff before ordering.
